open 11am - 6pm

*Private viewings by prior arrangement
welcomed - ph 08 89760951*

A Lingalonga Festival event

Artist Statement

This exhibition is the result of living in a remote Northern Territory town for the past 10 years and watching with despair the wanton, unthinking destruction of its natural environment.

“This is an attempt, in my limited capacity as an artist to do my small bit to divert the powers that be from hurtling down with wild abandon the well trodden path of irreversible environmental damage”.

Gillian

View and purchase some eclectic works of art by this talented artist.
